

PROSPECTUS

Session 2024 - 25

HORIZON

NEET | JEE | CUET | Olympiads

OUR COMMITMENTS

- ✓ *Excellent Faculty with vast experience in NEET | JEE | CUET | CBSE coaching.*
- ✓ *Well researched worksheets and standardized teaching material.*
- ✓ *Wide, Hi-tech and plush study centre.*
- ✓ *Air-conditioned classrooms providing comfortable environment conducive for learning.*
- ✓ *Coverage of class XI & XII CBSE syllabus through comprehensive notes.*
- ✓ *Regular class tests to assess the students understanding.*
- ✓ *Test series (online & offline) to provide a real exam like experience.*
- ✓ *Separate doubt clearing sessions.*

HORIZON gives you...
a well conceived syllabus.

HORIZON gives you...
imparts knowledge which combines depth & thoroughness.

HORIZON gives you...
wholesome education which helps you outshine competition.

HORIZON gives you...
the power to write your own destiny.

7. Foundation + Olympiads 2024-25 <i>for Classes VIII, IX and X</i>	17
8. Crash Course 2024 <i>for Class XII Appearing/Passed Students</i>	19
9. CUET (Central University Entrance Test) 2024 <i>for Class XII Appearing/Passed Students</i>	21

Chairman's Message

Start Early - Beat the Competition

One
who starts early,
Stays focussed,
Persists with grit
&
remains optimistic during odds
is bound to
SUCCEED.

The institution has been persistently performing the noble task of imparting interactive, comprehensive and quality education to the medical & engineering aspirants, right since 2003.

Each year, since its infancy, the results delivered by the institution has been a matter of great pride & is entitled to standing applause & ovation.

The recent results of NEET & JEE (Main & Advanced) are the true reflection of these achievements ... & yet many more milestones await us.

The faculty & the administration & the other work force of the institution surely deserve a pat on the back for their out of the box thinking & well organised execution of the same. They are the true helmsmen of our ship!!!

The students who have been constantly registering success & thus making their mentors & parents proud too must be acknowledged for their contribution in our outshining success.

Founded with the motto of 'ACTION SILENCES ALL' we are the firm believers of 3P's (Precision, Particularity & Performance) & do commit to deliver the best through our innovative, administrative think tank backed by hugely talented mentors as executors.

Lastly I wish the faculty, administration, students & the work force good luck & Godspeed.

Let's hit the summits still untouched.

Shyam Gupta
Chairman

NEET 2025

One Year Regular Classroom Course

For Class XII Passed Students 2024 - 25

Aim This Course covers the entire Medical (NEET) syllabus of Classes XI & XII from the competition point of view. The course consists of interactive comprehensive classroom teaching and revision classes. The student gets an opportunity to practice thoroughly what he/she is taught in class, through weekly test (Every Sunday).

Eligibility Class XII Passed students who are planning to appear in Medical (NEET) Entrance Examination in the year 2025.

Friday	Mathematics	Biology	Reasoning
Saturday	Mathematics	Biology	Reasoning
Sunday	3 Hours Combined Test		

Crash Course

for

Class XII Appearing / Passed Students 2024

This course will be helpful for those students who want to revise their preparation for their upcoming Medical (NEET) & Engineering (JEE) entrance exams. This course will develop their problem solving skills. Special tips & skills will be taught & nurtured by the faculty members who have successfully guided many Medical (NEET) & Engineering (JEE) aspirants.

ELIGIBILITY

Class XII Appearing or Passed students who are planning to appear in Medical (NEET) | Engineering (JEE) Entrance Examinations in the year 2024.

Batch Starts	18 th March, 2024 (Monday)
Batch Frequency	6 days a week (Monday to Saturday)
Course Duration	350 hours
Course Fee	₹ 9,000

Course Includes

- Study Package + DPP (Daily Practice Problems)
- Test Series (Online / Offline)
- Separate Doubt Clearing Classes

Note

- Test Series for Medical (NEET) Students Starts from March last week.
- Test Series for Engineering (JEE) Students Starts from March last week.

Time Table for Medical (NEET) Aspirants

Days	10:00 AM - 11:30 AM	11:45 AM - 01:15 PM	01:30 PM - 03:00 PM
Monday	Physics	Chemistry	Botany
Tuesday	Physics	Chemistry	Zoology
